STILL ENTICING WEATHER

NEW ORLEANS FAVORED WITH EVERY INDUCEMENT TO HEAVY PATRONAGE.

Only Two Favorites Win and Outsiders Furnish Surprises—Surpassing Barred from Further Starting—Hot Springs Popular.

New Orleans, La., February 17.—Ideal weather conditions prevailed again this afternoon and were responsible for an exceptionally large crowd being on hand at the Fair Grounds to witness some good sport. Small fields started in all the races and most of them furnished unexpected results, Deliver and Miss Waters being the only favorites to land their respective purses. The outstanding surprises were Brian Boru, which won the last race by the smallest kind of a margin, and Joe Finn, which took some good sprinters into camp. Lobelia won for her new owner at the first asking, when she spread-eagled the other youngsters that ran in the opener. Bertodano and Jawbone both ran bad races, in striking contrast to their previous efforts.

Two claims, made for Illuminator, by A. L. Kirby, and George Arvin, were thrown out because of the claimant's failure to sign their names.

E. T. Colton repurchased Hanovia from P. M. Civill this afternoon.

As a result of Surpassing's acrobatic performance yesterday, when he beat Kneelet in a sensational finish, owner W. R. Sallee and jockey T. Koerner, who rode him in his preceding start, were asked to explain that performance, but could not account for it. Surpassing's entry will be refused here in the future and Koerner was given to understand that he would have to ride out all his mounts until they passed the finish line. To Koerner's carelessness was due the defeat of Kneelet yesterday and the subsequent demonstration against the action of the judges in placing Surpassing first.

Advices this afternoon concerning the Maryland outlook for racing was of the most encouraging kind. Secretary Joseph McLennan at once began building the program book for the Bowie meeting.

Today's arrivals included Gifford A. Cochran, who will remain for some time to witness the sport here.

From the number who have signified an intention of going to Hot Springs the Oaklawn meeting will rival that held here. H. S. Newman is the latest applicant for stable room and will take Pan Zareta there. Most of the jockeys, including J. Butwell, J. Kederis, M. Garner, J. Hanover, the McTaggarts and T. Koerner, will go there at the close of the racing here.

F. Wright claimed Mars Cassidy after his defeat in the third race for $1,000, Emil Herz secured Illuminator for $1,100 out of the second and Lucky R., the winner, was bid up to $1,305 and bought in. M. J. Hickey, her former owner, did the bidding.

J. B. Cloher and Mel Collins were arrivals today from Havana.

H. A. Ferguson bought Preston Lynn this morning at private sale from J. T. Smith and J. Morino secured from F. J. Brannon the horse St. Leo.

Entries to the Hotel Men's Association Handicap of $4,000 guaranteed, one mile and a sixteenth, to be run Saturday, February 26, were announced today by secretary McLennan.

Like in the Merchants' Handicap, twenty-six nominations were made, J. W. Schorr leading the nominators with five entries. Practically the same racers named for the Merchants' Handicap were entered for the Hotel Men's Handicap.

Jockey J. Hanover was suspended for six days by the starter while at the post in the first race.

ANSWERS TO QUERIES.

Communications without names and addresses will not be noticed nor answered. No answers will be sent by mail and none by wire unless reply prepayment is made at time of wiring query.

J. Bloom, Chicago. Much obliged for your information as to Dagmar. He was a gelding and, therefore, did not show in the stud books. We failed to look back far enough in the racing records.

H. B., St. Louis, Mo. We were in error. It was one of the telegraph. Money Maker's prices in race 24903, February 5, were: Opening, 6 to 1; high, 7 to 1; closing, 4 to 1; place, 2 to 1; show, evens.

M. W., Chicago. We erred in answer to your query in last Wednesday's paper. Dagmar was a bay gelding, foaled in 1895, by Little Minch—Ivy Benjamin and ran many races over the old Chicago tracks. His last race, in J. Enright & Sons' colors, was in a steeplechase at Harlem, Ill., September 20, 1904. His last win was on the flat at Oakland, Cal., March 18, 1903, when he was owned by W. H. White, who raced Dagmar for two or three seasons. He also raced for the late John Brenock and for R. T. Wright & Co.

FOXHALL P. KEENE'S YOUNG HORSES.

Lorac Thriving Finely and Appearing the Probable Star of the Stable.

New York, February 17.—Foxhall P. Keene's racing string is quartered at Gravesend in charge of trainer J. Murphy. Now that Puss in Boots has gone to England to run for the Oaks, the most noteworthy animal in the stable is the handsome and speedy brown three-year-old filly Lorac, by Disguise—Wild Bess. In running second to Dominant in the United States Hotel Stakes at Saratoga, this filly made good her claim to be recognized as a youngster of stake class, and in all her races she showed a wonderful turn of speed. Although standing nearly or quite sixteen hands high, she appeared to be rather lightly and even delicately constructed, and it appears possible that this may have been in a measure responsible for her failure to race successfully in the class to which her great flight of speed seemed to indicate that she belonged.

Just now, however, she looks much more like a stayer than she did at any time in her two-year-old form. She has thickened materially since she was seen under silks, and yesterday in her work she appeared to be literally overflowing with animal spirits. She had no rider up, but was being led by a boy who was riding one of Mr. Keene's polo ponies. She looked stout enough to be up to almost anything in the way of stake weights, and as she cantered around the stable ring she was kicking and playing like a weanling.

Tipperary is the name of a slashing big three-year-old colt by Ben Brush—Acushla. He is a rather bright bay with a blaze, and in conformation he bears a striking resemblance to his sire. He is much taller than Ben Brush, however, and is a colt of great substance, good bone and, like his sire, he looks like a real race horse of the substantial, sturdy sort. This big colt is fully sixteen hands high and of great length for a horse of his height. He appears to be absolutely sound and as nearly as could be judged in seeing him in slow work he seems to have an admirable way of going. Although this colt has not had an opportunity of showing what he can do in a race, his trainer expects good things of him, and it would not be surprising if he should carry the silks of his owner to victory early in the coming season.

Queen Mab is a big, rangy three-year-old filly by Peter Pan—Mildred Shults. This filly is fully sixteen hands high and appears to have more than ordinary range for a filly of her height. She has a long neck, long body and peculiarly lengthy quarters. She has an unusually high croup and seems to bear the stamp of a real race horse, although she is a trifle light in the bone below the knee for a youngster of her size and weight. As she was so growthy and seemingly unfinished, she was not raced as a two-year-old, but she will be given a chance during the coming season.

Landslide is a handsome and highly-finished three-year-old bay colt by Voter—Debacle. He is no stranger to race-goers of the Metropolitan circuit, and, according to present appearances, he should be returned a winner before the close of the season of 1916.

Last in Mr. Keene's string is the sturdy three-year-old chestnut colt Indian Chant by Delhi—Anthem. In his two-year-old form this colt appeared rather small and light, but now, while he does not seem to have materially increased in height or range, he has thickened wonderfully, taking on much of the appearance of his illustrious grandsire Ben Brush. He is now a typical Bonnie Scotland.

CANADIAN WAR HORSES AT THE FRONT.

According to statistics furnished by the Canadian Remount Bureau, so far only ten per cent of the Canadian horses at the front have succumbed, and most of these were killed in battle. There are now approximately 15,000 horses with the Canadian army corps in France, each infantry division having 6,250. The horses of a division are taken care of by twelve veterinary officers and one mobile veterinary section of twenty-seven men. The mobile section takes care of the horses on the firing line. The slightly wounded or indisposed beasts are cared for and returned to the front. If the troops are on the move all injured horses are immediately collected and sent in groups back to the railroad, going by train to the nearest veterinary base hospital. When they once more become fit for duty they are sent to the regimental depot, where they are reissued for further use. Horses which in previous wars and civilian life would be destroyed at once are treated so successfully that they often become fit again for duty on the firing line. It is interesting to note that of 607 horses sent on one occasion to the field veterinary hospital only twelve died. Wounded horses are immediately given first aid. Any horse which is able to walk is rushed back to the mobile section, or field hospital, its wounds are carefully treated and every attention given it. Fresh horses are constantly being brought to the front to replace the wounded animals.

During the second battle of Ypres, when the Canadians were pressed to their utmost, at no time was the supply of horses diminshed at the firing line. As casualties occurred among the battery and transport horses re-enforcements were rushed in to take their places. Although the Canadian guns were within 300 yards of the enemy, there was not a wagon or a gun lost. Horses with as many as ten bullet wounds have been treated, and in some instances sent back to work, entirely recovered, in three weeks. In fact, some of the wounded horses have returned to the front after a week in the hospital. It is interesting to note war horses' diet. They are fed three times a day, and get an allowance of eighteen pounds of hay, twelve pounds of oats, eight pounds of straw, or in lieu of this, four pounds of extra hay and two pounds of oats, or any other fodder procurable of equal food value—malt, sugar beets or vegetables. The Canadian horses are reported as having put on much flesh since they have been in France.

STILL HAS FAITH IN BEACH COMBER.

The old adage, "blood will tell," is to get a thorough test. Last week at the Idle Hour Farm the first foal by Beach Comber arrived. Beach Comber is the now five-year-old maiden in the E. R. Bradley stable for which he paid $14,000 as a yearling. Beach Comber has started, but has been unable to connect with the winning end of a purse. Despite his inability to win Bradley is still sweet on the son of Rock Sand and intends to give him a good chance in the stud. Last winter he was mated with four mares, and last week the first foal arrived. Trainer Cliff Hammon remarked at the time it was the handsomest foal he had ever seen. Beach Comber is by Rock Sand—Fairy Slipper and is one of the most fashionably bred colts in the world. Rock Sand is the great English stallion imported by August Belmont, and Fiary Slipper was one of those wonderful James R. Keene mares. When put up at auction Jimmy Rowe bid $13,000 for Beach Comber, which would prove that he was highly thought of by such a good judge of horse flesh. Richard Croker, the former Tammany chieftain and one of the best breeders in the world, last winter told Bradley that even though Beach Comber never won a race, he would give $25,000 for him if sent to Ireland. The war came on and the English and Irish thoroughbred market was demoralized and Bradley refused to take advantage of Croker's generous offer. As a sire around the breeding farms in the vicinity of Lexington the services of Beach Comber can hardly be given away, but Bradley stoutly maintains that the fact that he is a maiden does not alter his blood lines. As a consequence Bradley will have to breed him to his own mares, and he is perfectly willing to take a chance. Beach Comber's foals will not be seen on the turf until next year.—Cincinnati Enquirer.

$2 mutuels paid, Othello, $5.90 straight, $3.80 place; Obolus, $4.80 place; no show mutuels sold.

Equivalent booking odds—Othello, 195 to 100 straight, 90 to 100 place; Obolus, 140 to 100 place.

Winner—Blk. h, by Lithos—Flash of Night (trained by M. Goldblatt).

Went to post at 5:24. At post 6 minutes. Start good and slow. Won driving; second and third the same. OTHELLO raced into the lead on the backstretch and cut STONEHENGE off after going the first half, but was driving hard at the end to outstay OBOLUS. The latter came on the outside of the leaders after entering the homestretch and finished fast. CONFLAGRATION ran well and finished fast, but swerved over to the inside in the last sixteenth after swerving out at the eighth post. STONEHENGE set the early pace, but tired.

Overweights—Obolus, 2½ pounds.

LITTLE NEPHEW CHANGES OWNERSHIP.

Louisville, Ky., February 17.—Little Nephew, noted five-year-old son of Uncle—Miss Granville, has been bought from M. B. Gruber by Lew Marion. As a two-year-old Little Nephew was one of the sensations of the turf, being the only one to take the measure of Old Rosebud, which feat he accomplished twice. He was injured in the spring of his three-year-old form and has not since shown to the best advantage, although he has managed to win. The Marion stable is wintering at Churchill Downs. Prince Hermis is in fine condition for training and may be counted on to figure prominently in the stake events on the Kentucky circuit. Marion also has the three-year-old filly Helen Thompson.

McAdams and St. Charlcote, in this string, have been gelded.

W. GARTH HORSES GO INTO TRAINING.

New York, February 17.—William Garth's stable of thirty-four horses has arrived at Benning. They belong to several owners, including Ral Parr, Jere Wheelwright, Samuel Ross, Woods Stockton, Edward B. McLean and the Garth family. Mr. McLean entered the ranks of racing owners last fall when he bought Exton. Exton started twice under Mr. McLean's colors and won both races, beating the first-class jumper Weldship. One of these races was a match affair for $1,000 a side and created widespread interest in Virginia.

The stake blanks for the Empire City Racing Association's meeting will be out in a few days.

BEDWELL HORSES WIN HIM TWO RACES.

Havana, Cuba, February 17.—H. G. Bedwell scored a double today with Smirking and Marjorie A. The latter showed improvement in coming from behind and beating White Crown out by a length and running the five and a half furlongs in 1:06⅕.

Othello hung up a new track record for a mile in winning the closing race in 1:39.

James Butler was a visitor at Oriental Park and will remain in Havana for the remainder of the week.

Cossack, which ran in J. W. Goldblatt's interest yesterday and broke a leg, was destroyed.

OFFICIALS FOR HOT SPRINGS MEETING.

New Orleans, La., February 17.—Although not as yet officially announced, it is practically assured that W. R. Norvell is to be associate judge and clerk of the scales at the coming Hot Springs meeting, while J. S. Wallace is to be paddock and patrol judge.

SANTA SUSANNA HAS A FINE DAUGHTER.

Lexington, Ky., February 17.—Judge Allie W. Young's Top Gallant mare Santa Susanna has a handsome chestnut filly by Peter Quince at Senator J. N. Camden's farm in Woodford county.

WILL RACE EVERY DAY AT JUAREZ.

El Paso, Texas, February 17.—Joe Blair made a show of the sprinters opposing him in today's third race at Juarez and won as an odds-on favorite should. After his victory he was bid up by T. Hatfield, whose Jake Argent finished second, from $400 to $1,200, and former jockey Phil Musgrave, in whose interest Joe Blair runs, protected him with the usual $5 advance.

The seven-eighths handicap, that served as the day's feature, was accounted for by Money Maker from the Knebelkamp stable, which found it easy to win after Bonanza, the favorite, had shot his bolt.

Commencing next Monday, there will be racing every day at Juarez until the close of the meeting. There has been no date set for the closing.

Frank Kelly, trainer for the F. T. Shortell stable, is looking after engagements for jockey J. Collins.

F. D. Weir is out and about once more after a severe attack of blood poisoning.

CURRENT NOTES OF THE TURF.

Jockey Eddie Dugan is wintering at Gravesend and is exercising a horse occassionally.

Harry LaMontague, former owner of a racing stable, had a bad fall while riding to hounds at Aiken, S. C., Tuesday. None of the thirty riders knew of Mr. LaMontague's fall until after the kill. He was picked up unconscious by a groom and rushed to his cottage in the rig of a passerby. Late reports from his bedside are to the effect that he was resting easily.

Jockey Joe Notter will be seen in the saddle again this year. He has been taking excellent care of himself through the winter, is practically always in training and he will be able to make most of the handicap and stake weights required for the H. P. Whitney horses. Tommy McTaggart is also under contract to Mr. Whitney, and, with two such riders, the stable will be excellently equipped.

J. J. Sheridan has taken up headquarters at Gravesend with a small string of thoroughbreds, all of which seem to be doing well. He has one three-year-old maiden and three good-looking two-year-olds. The best looking of the two-year-olds is a big bay filly by Cyclades—All Charms. Another likely filly is a bay by Dick Finnell—Rose Maid, and the third is a smart-looking chestnut colt by George Kessler—Twinkle.

George Zeigler had his three three-year-olds out on the covered stable track at Gravesend Tuesday morning, and all were looking well. Lena Misha and Old Koenig have grown almost out of recognition by any one who had not seen them since the close of the racing season. They have not only thickened materially, but they appear to have greatly increased in length as well as weight. Henry Jr. has also grown taller and has put on some weight, but he has not improved as noticeably as his two stable mates of the same age.

Belonging to a Chicago owner and in charge of ex-jockey Arthur Connors, a couple of two-year-olds are now stabled at the Hawthorne track. They were brought here from Juarez and are intended for racing over the Kentucky tracks. Of the two Hutch is by Old Hutch—Sepia, by Petrarch. The other Greenacre II. is by Lazzarone—St. Martha, by Sheen.

GENERAL NEWS NOTES OF THE DAY.

A dispatch of yesterday from Petrograd said: "The Official Messenger estimates the Turkish garrison at Erzerum, capture of which was announced yesterday, as 100,000 men. It is estimated that more than 1,000 guns were captured. It is said there were 467 guns in the outer forts, 374 in the central forts and 200 field guns at Erzerum. Public rejoicing over the capture of Erzerum is reflected in the newspaper comment on the fall of the fortress. The Novoe Vremya considers the capture to have enormous importance, as it points out that Erzerum is the center of road and railway routes and has immense depots for ammunition and supplies. It declares the fall of the city opens routes north and south to the Russians and seriously will affect the activities of the Turks in Mesopotamia and Syria. The Retch says that the taking of Erzerum menaces all Asia Minor and even Constantinople. (The Bourse Gazette believes the capture will have an effect upon Athens and Bucharest as well as upon Persia and Afghanistan."

Military preparedness in state institutions began Monday with the delivery at St. Charles school for boys of 600 Springfield rifles—United States regular army weapons—and forty rifles delivered at the Soldiers' Orphans' home at Normal. The guns, with bayonets, McKeever cartridge boxes, belts and other equipment were sent from the arsenal at Rock Island on orders from the War Department at Washington. Acting on instructions from Washington, Adjt. Gen. Dickson's office is trying to get in touch with some retired army officer who can give military instruction to the boys in the two institutions.

Under the terms of an order issued by the war office as published in the army organ, La France Militaire, German officers who are prisoners of war in France are to receive each month pay equal to that of French officers on leave, as previously fixed in the French army regulations. Similar treatment is to be accorded French officers who are prisoners in Germany. This arrangement has been reached through negotiations between the French and German governments.

The Rotterdam correspondent of the London Daily Mail telegraphs: A Zeppelin, blown adrift in a storm today (Wednesday) apparently from Belgium, has landed a wreck at Blerick, near Venloo, in the Dutch province of Limburg, close to the German border. The Dutch military authorities seized the airship and interned it. It is reported that the Zeppelin shed near Brussels was damaged extensively in the storm.

The storm which now is raging over Holland is causing great anxiety lest further floods and disasters occur. Day and night hundreds of laborers are working feverishly to prevent fresh ruptures of the dikes. The force of the storm is such that all kinds of strengthening material is speedily washed away by the giant waves breaking across the dikes.

The plant of the Farist Steel Company at Bridgeport, Conn., was almost completely destroyed by fire late Wednesday night with a loss estimated at upwards of $450,000. The origin of the blaze is unknown. The company, which employed 5,000 persons, was busy furnishing steel for the Remington Arms and Ammunition Company.

A cablegram from Buenos Aires, Argentina, announces the birth of a son to Mr. and Mrs. Kermit Roosevelt. Mrs. Roosevelt was Miss Belle Willard of Richmond, daughter of the American ambassador at Madrid. Mrs. Roosevelt has been in Buenos Aires two months. This is Colonel Roosevelt's fifth grandchild.

A Berlin dispatch, according to the Copenhagen correspondent of the London Morning Post, says that the Duke of Mecklenburg has left for Bucharest as the German emperor's envoy to offer Roumania a loan of $60,000,000.

Three Teutonic submarines have been sunk in the Adriatic Sea by French cruisers, according to the Echo de Paris.
